

52.249-12

Contractor shall repay the excess to the Government upon demand, together with interest computed at the rate established by the Secretary of the Treasury under 50 U.S.C. App. 1215(b)(2). Interest shall be computed for the period from the date the excess payment is received by the Contractor to the date the excess is repaid. Interest shall not be charged on any excess payment due to a reduction in the Contractor's termination settlement proposal because of retention or other disposition of termination inventory until 10 days after the date of the retention or disposition, or a later date determined by the Contracting Officer because of the circumstances.

(1) Any related contract of the Contractor may be equitably adjusted if it provides for such an adjustment and if it is affected by a Notice of Termination under this clause. The Government shall not be liable to the Contractor for damages or loss of profits because of any Notice of Termination issued under this clause.

(End of clause)

Alternate I (SEP 1996). If the contract is with an agency of the U.S. Government or with State, local, or foreign governments or their agencies, and if the contracting officer determines that the requirement to pay interest on excess partial payments is inappropriate, delete subparagraph (k)(2) from the basic clause.

[48 FR 42478, Sept. 19, 1983, as amended at 61 FR 39224, July 26, 1996; 69 FR 17750, Apr. 5, 2004]

52.249-12 Termination (Personal Services).

As prescribed in 49.505(b), insert the following clause in solicitations and contracts for personal services (see part 37):

TERMINATION (PERSONAL SERVICES) (APR 1984)

The Government may terminate this contract at any time upon at least 15 days' written notice by the Contracting Officer to the Contractor. The Contractor, with the written consent of the Contracting Officer, may terminate this contract upon at least 15 days' written notice to the Contracting Officer.

(End of clause)

52.249-13 Failure to Perform.

As prescribed in 49.505(c), insert the following clause in facilities contracts

48 CFR Ch. 1 (10-1-05 Edition)

except facilities use contracts with nonprofit educational institutions:

FAILURE TO PERFORM (APR 1984)

(a) Subject to the Excusable Delays clause (if included in this contract), if the Contractor fails to perform this contract under its terms, the Contracting Officer shall give the Contractor written notice stating the failure. Thereafter, regardless of any other provision of this contract, the Contractor shall not be entitled to an equitable adjustment under either this contract or any related contract, to the extent the equitable adjustment arises from the Contractor's failure to perform or from any reasonable remedial action taken by the Contracting Officer based upon the failure.

(b) The failure of the Government to insist, in one or more instances, upon the performance of any term of this contract is not a waiver of the Government's right to future performance of such term, and the Contractor's obligation for future performance of such term shall continue in effect.

(c) The rights and remedies of the Government in this clause are in addition to any other rights and remedies provided by law or under this contract.

(End of clause)

52.249-14 Excusable Delays.

As prescribed in 49.505(d), insert the following clause in solicitations and contracts for supplies, services, construction, and research and development on a fee basis whenever a cost-reimbursement contract is contemplated. Also insert the clause in time-and-material contracts, labor-hour contracts, consolidated facilities contracts, and facilities acquisition contracts. When used in construction contracts, substitute the words *completion time* for *delivery schedule* in the last sentence of the clause. When used in facilities contracts, substitute the words *termination of work* for *termination* in the last sentence of the clause.

EXCUSABLE DELAYS (APR 1984)

(a) Except for defaults of subcontractors at any tier, the Contractor shall not be in default because of any failure to perform this contract under its terms if the failure arises from causes beyond the control and without the fault or negligence of the Contractor. Examples of these causes are (1) acts of God or of the public enemy, (2) acts of the Government in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8)

freight embargoes, and (9) unusually severe weather. In each instance, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. *Default* includes failure to make progress in the work so as to endanger performance.

(b) If the failure to perform is caused by the failure of a subcontractor at any tier to perform or make progress, and if the cause of the failure was beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either, the Contractor shall not be deemed to be in default, unless—

(1) The subcontracted supplies or services were obtainable from other sources;

(2) The Contracting Officer ordered the Contractor in writing to purchase these supplies or services from the other source; and

(3) The Contractor failed to comply reasonably with this order.

(c) Upon request of the Contractor, the Contracting Officer shall ascertain the facts and extent of the failure. If the Contracting Officer determines that any failure to perform results from one or more of the causes above, the delivery schedule shall be revised, subject to the rights of the Government under the termination clause of this contract.

(End of clause)

52.250-1 Indemnification Under Public Law 85-804.

As prescribed in 50.403-3, insert the following clause in contracts whenever the approving official determines that the contractor shall be indemnified against unusually hazardous or nuclear risks (also see 50.403-2(c)):

INDEMNIFICATION UNDER PUBLIC LAW 85-804 (APR 1984)

(a) *Contractor's principal officials*, as used in this clause, means directors, officers, managers, superintendents, or other representatives supervising or directing—

(1) All or substantially all of the Contractor's business;

(2) All or substantially all of the Contractor's operations at any one plant or separate location in which this contract is being performed; or

(3) A separate and complete major industrial operation in connection with the performance of this contract.

(b) Under Pub. L. 85-804 (50 U.S.C 1431-1435) and Executive Order 10789, as amended, and regardless of any other provisions of this contract, the Government shall, subject to the limitations contained in the other paragraphs of this clause, indemnify the Contractor against—

(1) Claims (including reasonable expenses of litigation or settlement) by third persons (including employees of the Contractor) for death; personal injury; or loss of, damage to, or loss of use of property;

(2) Loss of, damage to, or loss of use of Contractor property, excluding loss of profit; and

(3) Loss of, damage to, or loss of use of Government property, excluding loss of profit.

(c) This indemnification applies only to the extent that the claim, loss, or damage (1) arises out of or results from a risk defined in this contract as unusually hazardous or nuclear and (2) is not compensated for by insurance or otherwise. Any such claim, loss, or damage, to the extent that it is within the deductible amounts of the Contractor's insurance, is not covered under this clause. If insurance coverage or other financial protection in effect on the date the approving official authorizes use of this clause is reduced, the Government's liability under this clause shall not increase as a result.

(d) When the claim, loss, or damage is caused by willful misconduct or lack of good faith on the part of any of the Contractor's principal officials, the Contractor shall not be indemnified for—

(1) Government claims against the Contractor (other than those arising through subrogation); or

(2) Loss or damage affecting the Contractor's property.

(e) With the Contracting Officer's prior written approval, the Contractor may, in any subcontract under this contract, indemnify the subcontractor against any risk defined in this contract as unusually hazardous or nuclear. This indemnification shall provide, between the Contractor and the subcontractor, the same rights and duties, and the same provisions for notice, furnishing of evidence or proof, and Government settlement or defense of claims as this clause provides. The Contracting Officer may also approve indemnification of subcontractors at any lower tier, under the same terms and conditions. The Government shall indemnify the Contractor against liability to subcontractors incurred under subcontract provisions approved by the Contracting Officer.

(f) The rights and obligations of the parties under this clause shall survive this contract's termination, expiration, or completion. The Government shall make no payment under this clause unless the agency head determines that the amount is just and reasonable. The Government may pay the Contractor or subcontractors, or may directly pay parties to whom the Contractor or subcontractors may be liable.

(g) The Contractor shall—

(1) Promptly notify the Contracting Officer of any claim or action against, or any loss by, the Contractor or any subcontractors
